WEARING A MASK & GIVING BACK IS WHERE IT'S AT!

April 23, 2020

During the COVID-19 crisis, **JAGS Gives Back** continues to help others while “**Giving Back**” to our City Heroes and Citizens in the City of Murrieta and surrounding communities

Did you know Thursday, March 26, 2020 was renamed by President Cindy Warren as “Thanking our Heroes Thursday?” She did and that meant it was time for **JAGS Gives Back** to provide lunch from The Mill Restaurant to Murrieta City Hall for the entire City Staff Team B to enjoy. Next it was off to buy Sandwiches, Salads, Chips and Cookies from Which Wich Superior Sandwiches in Murrieta for delivery to the Murrieta Police Department and Dispatchers. Topping off the day of “Thanking Our Heroes Thursday,” Ms. Warren picked up and delivered 12 Pizza Making Kits from The Mill Restaurant delivering 2 kits to every Murrieta Fire & Rescue Station, including Administration headquarters for lunch or dinner.

April 28, 2020, JAGS Gives Back is providing lunch to the Murrieta City Staff Team A from Which Wich Sandwiches - Murrieta.

During these past 6 weeks **JAGS Gives Back** has supported local small businesses in our community by provided lunch and/or dinner to over 12 families in Murrieta and Wildomar, purchased and delivered groceries to homebound Seniors and Veterans and provided funds to assist a Single Mom pay her monthly rent while being furloughed from work.

When the Cake Cottage, a local Murrieta small business started promoting Help a Small Business with Cupcakes for Heroes a week ago, **JAGS Gives Back** was excited to participate. These past two weeks, JAGS Gives Back has purchased and donated 48 jumbo gourmet cupcakes for delivery to our local heroes who are working hard on the front lines at our 3 main hospitals serving Murrieta and Wildomar: Loma Linda University Hospital, Rancho Springs Medical Center, and Inland Valley Medical Center.

JAGS Gives Back is planning more surprises and helpful ways of Giving Back for many weeks to come. Doing our best to make life a little easier by Giving Back one day at a time!

Stay Well, Stay Safe, Stay Home!
